(File put up). Go. no. 563-4/M 7.8.25 & 11.11.1925 directing the continuance of the grant of Rs 50/- a month to the Srinivasa mandiram during 1925 is put up herewith. This temporary additional grant of Rs 50/- a month - over & above the permanent grant of Rs. 100/- to the Srinivasa mandiram, which is being continued from time to time ~~as~~ has been sanctioned in view of the then "prevailing high prices".

2) Its further continuance during 1926-27 is urged by the Muzrai Com^r in his proposals for budget provision for the Muzrai Dept^t. and it is for orders, in view of the fact that ~~there~~ "high prices" of commodities still rule the market.

Requests that as originally proposed by him in connection with the Budget Estimate of 1926-27 provision for the continuance of the grant-in-aid to both the Srinivasa mandir at Mysore & the Veeravara Anathabala at Mysore might be made ~~as it is expected that~~ as it is expected that the managers of these institutions will no longer apply for the continuance of the grant-in-aid because of the present exceptional conditions which rule the prices of provisions etc.

"In the circumstances explained by the Muz Commr. further action in the matter of specific orders sanctioning the continuance of the grant-in-aid in favour of the two institutions may await 'the submission of individual recommendations in due course', since ~~action~~ action for the retention of the provision of the grant-in-aid for these institutions has been taken in ^{the file} connection with the Muz-Budget Estimates for 1926-27.

In the Budget Estimates of the Muz Dept. the Member has been pleased to order that the full provision for the Srinivasa Mandir should be made. The provision for Bobbaraj for the Veeravara Anathabala may also be made pending orders on the recommendation received from the M.C.

13) The question now for consideration is not
the Budget-provision to be made in the next year
budget, but whether there is necessity for the
continuance of the present grants after the expiry
of the sanctions now current.

The Muz Commr. states that the Managers
have not yet applied for the continuance
of the grants. He may make the necessary
enquiries there - they will of course apply for
the continuance of the concession - and obtain
necessary information & statistics to formulate
his recommendations to Govt. - Govt. will then be in a
position to explain to the L.C. the
necessity for the Budget-provision - 6.5.26
that may be made -

"Referring to the Government Order No.563-4/M.F.8-25-6 of 11th November 1925 sanctioning the continuance of the additional grant of Rs.50/- per mensem to Sreenivasa Madiram Orphanage for a further period of one year from 1st July 1925 to 30th June 1926, I have the honor to state that as the prices have not abated but on the contrary there is a tendency of the prices going up as the Mungaru rains and the South West monsoon have practically failed, the grant of Rs.50/- may be --- continued at least for another year till end of 30th June 1927 when it is hoped that normal conditions will be restored in respect of the - prices of food stuffs.
